### How to GET ANYTHING YOU WANT

Edmonton, AB – Have you heard of The Secret? A movement that is taking the world by storm, The Secret is inspiring people to use the law of attraction to transform their lives. The key to the law of attraction and getting what you want is to focus upon what you want and feel good about it. The problem is that most people have adopted self-limiting beliefs and fears that are running their lives. People end up in stagnant relationships, with dead-end jobs and a ton of debt. It is a vicious circle of people becoming frustrated, and feeling disconnected and disempowered.

In Wayne Lee's hands, magic and hypnosis release astonishing power—to focus through distractions, to channel emotions, to create opportunities and to dissolve barriers. Sounds like hard work, but it's not. It's MAGIC—Motivation, Awareness, Goals, Imagination and Choices—and it draws the very best out of everyone it touches. It's mind over...well, just about anything!

Through his Magicnicity 30-day manifesting system, Wayne Lee shows people how to connect with their inner MAGIC and attract anything they want, such as more money, more passionate relationships, losing weight and breaking bad habits. Magicnicity is where hypnosis meets the law of attraction. If you are someone who wants to get more out of life and live with more success and fulfillment, this program is for you.
