

Hospitality Rider

The hospitality requirements, as stated below, are considered a part of the Engagement Agreement.

THE CLIENT shall supply WL and his technician with the following hospitality requirements for the engagement:

Venue

THE CLIENT shall supply WL with a comfortable dressing room or designated area to change at the venue. If the venue is a hotel, WL's hotel room will be sufficient space.

Food/Beverage

THE CLIENT shall provide WL and his technician with a total meal per diem amount of \$75.00/day.

THE CLIENT shall supply WL's dressing room/designated area to change with the following:

- Food to serve two people:
 - o Snack platter with various deli meats, cheeses, and crackers
 - o Snack platter with fresh fruit and vegetables
- Six bottles of water, preferably in ice
- Assorted bottled juice
- Assortment of lightly salted nuts

The food/beverage requirements are not necessary if WL and his technician will join your group for a meal prior to the engagement time. In this situation, the only food/beverage requirement that is necessary is the six bottles of water.
