

Wayne Lee

Presentation Description

“Live the Laughter” *a comedic Hypnosis Show*

What does it mean to *Live the Laughter*? With Wayne Lee it means a highly interactive hypnosis show as unique as it is hilarious. It means gut splitting laughter and improbable scenes acted out by audience members no longer inhibited by their fears. More than a hypnotist, more than a speaker Wayne Lee delivers premium entertainment value with a message of empowerment that stays with participants long after the laughter fades.
